Dear Senhor Cruzeiro Seixas,

I would like to thank you very much indeed, on behalf of both myself and of this Society, for accompanying us on Saturday, and even more for inviting us to your flat on Sunday. These personal contacts make this Society's trips something very special and thus attract many new members. Such contacts also add greatly to our enjoyment when we travel. We are always most grateful to those friends who allow us to invade their privacy as you did on Sunday, and who are prepared to talk to us about their work.

Thank you very much indeed for your help and warmth. I hope that some day we shall be able to reciprocate in London.

Yours sincerely,

*Nancy Balfour*
